A new way to fundraise for the IWK with your land!

Are you a business/landowner who wants a new way to fundraise for the **IWK Foundation**?

You can make an impact by hosting a newly designed **IWK** branded clothing bin on your property. The bins are owned by **LML Trading** and they are a fantastic team to work with!

When you choose **IWK** bins, you're choosing to support Maritime women & children patient care, and you're giving clothes a second life by keeping them out of our landfills - where up-to 90% of clothing ends up. Moral of the story, the more bins the **IWK** has, the more women and children we can help!

If you'd like to make a difference and learn more about the benefits of hosting an **IWK** bin on your property, please contact Victoria Reid - victoria.reid@iwkfoundation.org
